Internship Experience

AWS Cloud Foundation Virtual Internship & AWS AI-ML Virtual Internship.

2023

- My internship at AWS Cloud focuses on increasing the cost-effectiveness of cloud operations for organisations.
- Throughout my internship, I was able to work on real-world projects and cooperate with a team of seasoned cloud specialists.

Certificates

AWS Certified Cloud Practitioner (2023) 🌐

AWS Certified Developer-Associate (2023) 🌐

Red Hat® Certified Enterprise Application Developer (2023) 🌐

Associate Cloud Engineer Certification 🌐

Projects

FULL Stack E-Commerce

- Developed & designed a full-stack e-commerce platform using React, Node.js, and MongoDB
- Implemented features including product Listings, shopping cart, and user authentication.
- Deployed the application on AWS, enabling auto-scaling and load balancing

Live Weather Forecast

Designed and implemented a live weather forecasting project leveraging APIs to deliver real-time weather updates and forecasts, enhancing user accessibility and data accuracy.

Skills : HTML, CSS, JavaScript, React.JS

Significant Roles

Core Member, K L University -2023

Focus Student Body Director, KL University -2023
